McNamara, Senate Committee Meet

WASHINGTON - Defense Secretary McNamara is scheduled to face the Senate Foreign Relations committee today in a long-awaited public hearing. The subject is to be President Johnson's foreign aid authorization request that includes 3917,000,000 for military aid. It seems certain Vietnamese policies will be discussed.

Extra 5 Feet Allows Dealer's Star to Shine

Mark Motors, 2020 E. Northwest Hwy., will get its Penestar. That was the decree of the Arlington Heights village board Monday night when it grasted an additional height variation to Mark B. Helder, a Chryster dealer. The vote was 4 to 3. Heller land asked for an additional 5 feet atop his 34-foot aga so the Penestar could be installed to conform with other Chryster signs. Village ordinascen restrict signs to 15 feet

o inches.

Voting for the additional 5 feet were President John G. Woods and Trustees Carl F. Mees, Thomas H. Hanlon and LeRoy A. Bressler. Voting no were Trustees John F. White, John J. Walin Jr. and F. N. Pallmanier.

Planners Taking A Close Look At Community

Mount Prospect planners are taking a close book at the overall character of the community in an attempt to formulate a policy recommendation to the village heard of trustees.

Meeting in a study session last week, members of the plan commission were unanimous in their agreement that the residential character of the community should be preserved.

Harold Ross, chairman of a the commission's planning sub ascommittee, presented what he called a rough outline of policy. He emphasized that his vioutline was a place to start and and welcomed suggestions, adarditions or detections from (the amembers of the nine man com-

mission on hand.

Roes' outline began by acknowledging the need for a comprehensive plan for the village.

He said that such a plan should
serve as a gaide for future
development and should never

BECOGNIZING the growth pattern of the enture area, Ross said, "The plan should be realistic and should be developed in relation to the resources of the commanity in order to make it a realis-

tic object."

Ross labeled development of a well balanced community, providing for its residents the orderly development of all phases of suburban living, at the goal of a comprehensive

apartment development.

Lees "ISLAND PARK" carpet on your floor

- We've never seen such richness, thickness, hushness in a carpet at such a low price. 17 heavenly colors to choose from. And it's made by Lees.
- Less took tough, heavy filament nylon, lots of it. Packed it good and thick to give "Island Park" a deep, dense pile.
- It gets 27 inspections at the mill to make sure there are no flaws, ravels, skips, or misweaves.
- Even the inspections are inspected
- That's why "Island Park" by Lees is such an extraordinary carpet value. Shouldn't it be on your floors? See it soon.

Location and value are important considerations when buying or building a home. Convenience to schools, churches and transportation, and attractiveness of the neighborhood determine the livability and future of your property and the happiness of your family. The purchase of a

home is the largest single investment most families will make. Experience in home buying is something the average person does not have. That's why he needs professional help, the kind of help Realtors and dependable builders can offer.

Knowledge of Legal Terms Helps When Buying Your Home

You don't have to be a legal expert, but if you're thinking about buying or selling a home it's a good idea to brush ap on some of the basic legal langu-

actions.
"Most of the legal terms used for real estate transactions are simple and almost self-explanatory," says Bill Herbert, building specialist for Allied Chemical's Barrett Division. "They have developed over the centaries and have become explicit to their meanings.

Don't Take Chances When Using Ladder

Sprucing up for spring gets an awful lot of homeowners up on ladders. This is one place where safety is no accident. Do not leave anything to chance when you use a ladder, either indoors or out.

If your ladder has been stored away all winter, test it before using it. Lay it flat on the ground and walk on the rungs. If there a weak one it's better to find it this way.

Don't try to repair it. Breai it up and burn it. Den't leave it around.

Cost-of-Living Rises Again

WASHINGTON - Government sources say the cost of ving went up last month by as much as three-tenths of ne per cent. But the rise was not as fast as in Febr-ary because of an easing in food prices. The sources seed their report on the Labor department's monthly onsumer price index to be published today.

Three New Yorkers Indicted

NEW YORK CITY — The head of the New York Char-ily Frauds Bureau and two prominent Long Island sta-therpeys have been indicted on charges of conspiredy and extortion, They allegedly conspired to shakedown the president of the National Book Club for \$15.000. The club publishers books designed to help word puzzle fans erack the tough ones for big more care the tough mones for big more than the present the constitution of th

Sukarno: 'Won't be Figurehead'

JAKARTA — Indonesian President Sukarno has ack-nowledged for the first time that he is being pressured to become a figurehead leader. But he said, God willing, he would continue to hold his authority. Sukarno vowed to his new anti-Communist cabinet he would never sur-render his power.

Gromyko Visits Rome
